

Executive Director's Message

Welcome to the second edition of our electronic newsletter.

I hope that most of the OUFC membership is able to communicate via e-mail. That means that you are able to reply to your Board of Directors. At a recent meeting (May 8, 2003) we were able to amend the old OSTC Constitution to what it is now. This was an opportunity for members to become involved. The OUFC Board needs your support and input. For example, we have events to participate in and a web site to maintain. What we need from you is information and articles pertaining to the Urban Forest. We are also looking for someone to help coordinate our newsletter. If you are interested please contact me through email or by calling 416-936-6735.
