

Heritage Trees Visioning Session
Thursday, March 4, 2004
North York Civic Centre
6:30 - 8:30pm

The OUFC Board of Directors invites you to participate in a visioning session, which will help define the organization's activities related to heritage trees. This topic continues to emerge at board meeting discussions as one that must become a priority for our organization.

We are seeking input from OUFC members, interested individuals and representatives from groups who may be interested in working cooperatively. We want your input on what role the OUFC should play in the heritage trees issue and how we should implement any ideas that emerge.

If you can't attend the meeting, please feel free to provide written comments by Monday, March 1st to [Janet McKay](mailto:Janet.McKay@oufc.org).
